TYPING COACH™

Now you can have your own private Coach at home! Typing Coach comes with a visual program for your TV or color monitor with an audio instruction complete with music. Your Coach walks you through 28 self paced, interactive typing lessons, featuring easy to follow color-coded keys and finger positions. Each lesson includes practice text and automatically records the score of words per minute and errors per text. These scores are maintained to compare with new scores and show your rapid progress.

Excellent program to teach typing, refresh rusty typing skills and learn the Commodore 64™ keyboard. Just a dozen one-hour sessions will dramatically increase your typing speed and accuracy. All you need is Coach and a little practice!

REQUIREMENTS: Commodore 64™ Computer, Disk Drive & Audio Cassette Recorder.
